

BRIEF SUMMARY

I am a computer science student, with a strong foundation in web development and software engineering. My skills include: HTML, CSS, JavaScript, Express.js, SQL, version control, core java, oops, problem solving. I have successfully completed multiple web development projects, 3 were full-stack projects, showcasing my ability to build a complete working solution for any real world problem. Additionally, I have experience in developing a java based project using JSP & Servlets along with frontend technologies, further enhancing my knowledge of Java, OOPs concepts and Problem solving ability.

I am a proactive learner, who thrives in team settings and is passionate about exploring new technologies, especially in fields of MERN stack and Java. I am committed to apply my technical skills to develop innovative solutions that address real-world challenges, and I am always eager to expand my knowledge and contribute into projects

KEY EXPERTISE

HTML5 CSS3 JavaScript Express.js Node.js MySQL Java OOPs

EDUCATION

MIT Academy of Engineering, Pune B.Tech. - Computer Engineering CGPA: 9.66 / 10	2022 - 2026
Narbheram Hansraj English School, Jamshedpur 12 th CISCE Percentage: 97.25 / 100	2021
Narbheram Hansraj English School, Jamshedpur 10 th CISCE Percentage: 94.60 / 100	2019

PROFESSIONAL EXPERIENCE

MIT Academy of Engineering, Pune IT / Computers - Software Web Developer Key Skills: HTML5 CSS Javascript React.js Node.js Express.js MySQL It was 1 month industrial internship, where I build a full stack web project - Job Portal - using HTML, CSS, JavaScript, Express, React, SQL. During this project I enhanced my web development skills and learn to write backend code and connect with frontend, which was new for me. It was a group project, having more 5 members. So this project also taught me to team collaboration and team building.	23 Jun, 2024 - 10 Aug, 2024
---	-----------------------------

INTERSHIPS

MIT Academy of Engineering IT / Computers - Software Full Stack Web Developer Key Skills: CSS SQL Javascript HTML5 Express.js React.js Developed a full stack job portal platform, in a team of 5 members including myself. ; Phases of Development:- 1. Database Schema Design & implementation 2. API and routes 3. UI design 4. Frontend Development 5. Backend Development 6. Integrated frontend and backend; Learnings:- 1. Polished my frontend skills (HTML, CSS, Javascript) 2. Learned and Implement new Skill (Backend - ExpressJs , NodeJs) 3. Team Building & Collaborative Working in a team 4. Completing project efficiently within deadline	23 Jun, 2024 - 10 Aug, 2024
---	-----------------------------

Key Skills: CSS HTML5 Javascript

Developed a static reading site for a SAP services provided - apexion.in ;
link: <https://apexion.in/>

Development Phase:-

1. Gathering information about SAP and about apexion
2. Design UI
3. Develop the frontend
4. Deployment;

Key Learnings:

1. Gained Information about SAP Services
2. Polished Frontend skills
3. Team building and collaboration
4. Delivering the project within deadline

PROJECTS

AimHire - Job Portal Platform

23 Jun, 2024 - 10 Aug, 2024

Mentor: Jayesh Raut | **Team Size:** 5

Key Skills: HTML5 CSS Javascript Node.js Express.js React.js SQL

Project Link: <https://github.com/Amrik-Bhadra/AimHire-Job-portal>

The AimHire Job Portal is a versatile platform designed to connect job seekers with recruiters, making the hiring process more efficient. It features job listings, an applicant dashboard, and an admin interface, all built with HTML, CSS, React, and a MySQL backend. The portal simplifies job searches, application tracking, and administrative tasks, enhancing the recruitment experience for both job seekers and recruiters.

My Role: Frontend, backend and Database

Saarthi: Ecommerce Application

08 Oct, 2023 - 18 Jun, 2024

Mentor: Mrs. Mayura Kulkarni | **Team Size:** 4

17 Feb, 2024 - 20 Mar, 2024

Mentor: Dr. Dyanesh Tamboli | **Team Size:** 4

Key Skills: HTML CSS

Project Link: <https://apexion.in/>

A reading site, built for an organization apexion.in, providing SAP services
My role: frontend

POSITIONS OF RESPONSIBILITY

Secretary - Acm Student Chapter

As the Secretary of the ACM Student Chapter, I am responsible for recording meeting minutes, ensuring accurate documentation of key discussions and decisions. I manage all chapter communications, including handling correspondence and sending out announcements. Additionally, I play a key role in coordinating chapter activities, assisting with event organization, and maintaining up-to-date member records.

CO-CURRICULAR ACTIVITIES

- Took Bootcamp classes on C++ organized by The Knowledge Network
- Managed Web development event as Tech lead organized by The Knowledge Network

EXTRA CURRICULAR ACTIVITIES

- Participated in pick and place robo competition as part of GD IOT Innovations at IIT Bombay TechFest'2022

PERSONAL INTERESTS / HOBBIES

- Singing
